U November Ride Report by Bob Ebert

Our club's last ride for the year was on the 22nd of November (fourth Sunday) where we attracted 28 riders. The ride left the showgrounds on the north side and travelled to Sellin Road; Hamilton Road; Mount Pleasant Road, across the river, Lacey's Creek Road; Rowe Road, down the river to the park, Riverview Court; McKenzie Street and back to the showgrounds. Unfortunately, during the ride one horse kicked another; that horse pig rooted and a second rider was thrown. The second rider had to be picked up by car and brought back to the club house then later taken to a medical centre, after treatment went home and was in a lot of pain for some time. In spite of the falls though, the remainder of the ride went really well, we enjoyed the views and open spaces of our beautiful valley, followed by our usual meals and drinks.

HAPPY NEW YEAR!!
Hope everyone had a
very Merry Christmas.
Welcome to the next
decade!

Christmas Party (In Review) by Bob

The club's annual Christmas Party and break up was held two weeks later, complete with our sponsors, property owners and members with their families. In all 82 people accepted the invitation for the day. This is always a really good communal get together and with food organised by Lorraine Bailey; turkeys and ham cooked by Dayboro Party Hire (Deb & Gavin), we enjoyed a great feast.

The club awarded certificates to Karen & Kevin King, Neville & Joan Stewart and Eleanor Wright for the cattle they generously provide for our Team Penning events at the Dayboro Show. Bob

Ebert was awarded Club Person of the year and presented with a trophy. Kayleen Giles was also awarded a trophy for her many tireless hours and great work. Bob Ebert and Selwyn Barr were elected the club's first ever 'Life Members' for their continued work, assistance and support of the club (which has been over a long period of many, many years). Our Christmas party gets bigger every year and everyone enjoys the afternoon. This year we especially enjoyed about 45mm rain which fell during lunch, cooling us all off. It was also the first downpour of the rain we have been enjoying lately that's bringing on the beautiful green grass.
