### **U** Ride Report by Kayleen Giles

Members once again joined in the Dayboro Day Parade this year it was great to see members in their jeans, club shirt and hats and all horses were well behaved.

What a fantastic day of riding we had on our monthly ride in May. Generally our rides are 3-4hrs but we had planned this all day ride knowing the great country we would be able to ride through. We were well rewarded with a beautiful day. We headed out of the showgrounds towards Laceys Creek through the river and into Baker's and eventually into Rowe's property and beyond before existing onto Laceys Creek Road across into Wirth Road and Kenzie's property where we stopped for lunch beside the creek. Kevin and Arthur had worked hard and slashed an area beside the creek in readiness for our feast. John Schuhmann had the BBQ ready to go for our arrival and cooked us a great lunch that Lisa had organised. Unfortunately Lisa was absent for the ride which is a rarity so she didn't get to enjoy the fruits of her labour. After lunch with very full stomachs we struggled into saddles and

set for home via a different trail. The day's ride was mostly through open grazing land which was undulating with some steeper inclines and of course if you go up you have to go down but nothing over arduous, (although one steep incline on the way home, saw an interesting result on how some people stay in the saddle!). The views of the ranges and surrounding country throughout the day make it well worth the efforts. The river crossings always add to the adventure and the horses welcomed the second water crossing at the end of the day.

Dayboro club members have been invited to join Brisbane Valley Trailriders during June for a weekend of riding at Eskdale Station Toogoolawah this is sure to be a great weekend.

Our June monthly ride will leave the Dayboro showgrounds Sunday 27. Please remember if you plan on joining us for the ride you must be signed on and ready to ride no later than 8:15am.

## U Team Penning – Dayboro Show 10<sup>th</sup> & 11<sup>th</sup> July

The Dayboro Show is but a week or so away. It is increasingly difficult to find cattle for these types of events and our members who do secure cattle work very hard to do so. It would be appreciated if as many members as possible would donate some of their time to assist in running the Team Penning. It is this event that brings in quite a bit of money to our club. Without this, there would be a need to raise membership fees and have members carry out fundraising activities such as raffles, pie drives etc. So,

let's avoid the pie drive at all costs!! Any time you can give will be appreciated. You don't need any experience. Helpers to be judges, time keepers, cattle and gate handlers are needed. You can volunteer and participate in the event. To put your name down or for more info please contact any of the committee (telephone numbers are on the header).

## U Big October Ride

This year the club will run its 12<sup>th</sup> annual Big October Ride. A subcommittee has been formed in order to facilitate the event. The committee consists of Lee Tapper, Peggy Stewart, Kayleen Giles, Debby Kirkwood, Cheryl Barclay and Melanie Theed. If you have any ideas or suggestions for the Big October Ride, be it meals, raffle prizes, process change etc., please let one of the subcommittee know. All ideas and suggestions will be considered.

Whilst on the subject of the Big October Ride. Please find a copy of the flyer attached. For those with email, please distribute to as many people as you can!!!

## Attention “Baby Boomers” & “Adventurous Teenagers”

Nothing will give you more pleasure in the saddle, than this terrific 15.3hh TB Gelding. Whether you are coming back into riding after years out of the saddle, or you are an adventurous teenager looking for your “perfect” horse – Beau is the one for you!!

Beau has done everything from Pony Club to Hacking to Trail riding. He will ride on his own or with 30+ other horses. He is a leading horse but will ride in any position of a trail ride – lead, middle & drag. He is sure footed and well educated – this boy thinks when he is being ridden & is ever so considerate of his rider.

There are not too many horses that can walk across the MI (with trucks & buses exhaust braking beneath & cars whizzing by) let alone LEAD the ride!! A Lead horse has to be fearless and keep the rest of the horses behind him moving in an orderly and calmly manner. This is just another amazing thing that Beau can do.

This boy needs to go to a very good home because he is soooooo special. This is the kind of horse that you only dream about.

**\$ 1600 – is all it will take to own this brilliant Beau.**

## Beauty by name & Beauty by nature

This little "Beauty" is a 15.2hh Thoroughbred mare who is well educated and has done everything from Pony Club to Hacking to Trail Riding. There is nothing this gorgeous mare can't do.

Whilst a gentle soul, she will not be pushed around by other horses and will stand her ground.

Beauty rides on her own or with 30+ other horses and is not fazed either way. She is fine with creek crossings & is no problem with riding in Traffic. Beauty does not spook easily and has coped with wallabies jumping out of the nearby bushes & bicycles whizzing passed her from behind. She will make the perfect Trail Riding horse.

Beauty has a very gentle mouth & will be better suited to a quiet educated rider who is confident and will be firm with her.

\$ 800– is all it will take to own this brilliant little "Beauty".
