U BIG OCTOBER RIDE vs. ATHRA Special Meeting

As all club members will be aware, we will be running our 12th annual, Big October Ride event on Saturday 23rd October, 2010. This year members who attend club meetings voted to source independent insurance for the event. Which means this is not an ATHRA sanctioned ride. However, anyone with their own horse and riding gear is welcome to attend, thus any and all ATHRA members are more than welcome. We hope that many will join us.

The Dayboro Trailriders Club was established some 16 years ago by people who just wanted to enjoy riding their horses with like minded folks, keeping it simple and cost effective. This is still the case today. With this in mind the decision to

source independent insurance was made. In order to satisfy ATHRA insurance costs and regulations the price needed to be increased dramatically. Whereas independent insurance has enabled the club to keep costs reasonable for all participants.

Unfortunately ATHRA Qld have called a 'special meeting' on the same day as the 'Big October Ride' is to be held, despite our advertising being circulated to all ATHRA Qld clubs some weeks ago. However, the meeting is very important and affects all Queensland members. The passing of the motions being put forward at the meeting will facilitate the introduction of Regional Managers (to replace ATHRA Queensland Executive) to

represent Queensland affiliated Clubs under the proposed restructure of ATHRA's national administration.

The Dayboro Trailriders Club has for many years supported ATHRA Queensland and also had members hold the positions of ATHRA Qld President and Treasurer. It is very important that as ATHRA members we carefully consider what is being put forward and exercise our right to vote.

The 'Big October Ride' will not be cancelled due to the clash of dates. Requests have been made

to ATHRA Queensland to change the date of this 'special meeting' in order to enable all members to attend the special meeting to hear views on how the association can best move forward, without having to choose the ride or the meeting.

Those members with email have been asked to email their protest to Janice Turner and Claire Bourke of ATHRA Qld and request a date change. For those without email if you would also like to voice your opposition please do so by contacting:

For those without email (or those with, that missed it), DERM are seeking submissions on a range of management plans. Given that many horse riders utilise some of these spaces and wish to have input on how they are managed, this is a good opportunity to have a say and recommend how recreation can be part of (some) of these parks. Closing dates for submissions across all these is **October 25**.

There are **new draft management plans** for the following Parks and Reserves:

Black Mountain NP; Bloomfield River Conservation Park; Cedar Bay NP; Daintree NP; Monkhouse Timber Reserve (which is scheduled for gazettal to NP). All submissions will be taken into consideration and once draft plans are developed, a second round of consultation will occur.

There are reviews or **development of management plans** for:

Bakers Creek Conservation Park; Capricornia Cays NP (& Scientific); Chesterton Range NP; Danbulla NP (& Recovery); Forest Den NP; Hell Hole Gorge NP; Idalia NP; Lochern NP; Morven Conservation Park; Mount Blarney Conservation Park; Mount Hector Conservation Park; Sandringham Bay Conservation Park; Sundown NP; Sundown Resources Reserve. A second round of consultation will occur once the drafts are completed.

There are reviews of draft management plans for:

Cape Hillsborough NP; Dipperu NP (Scientific); Epping Forest NP (Scientific); Mazeppa NP; Minerva Hills NP; Mount Aberdeen NP; Mount Martin NP; Mount Ossa NP; Nicoll Scrub NP; Pioneer Peaks NP; Reliance Creek NP; Taunton NP (Scientific); Welford NP; Wondul Range NP.

You are welcome to make submissions on these plans and drafts, copies or information can be found on all of them at:

http://www.derm.qld.gov.au/parks_and_forests/managing_parks_and_forests/management_plans_and_strategies/index.html

Please pass on this information to relevant people in your networks throughout the state so people have the chance to have a say.

BIG OCTOBER RIDE RAFFLE

The idea of a hamper as part of the Big October Ride raffle has been put forward (thanks Lorraine). If any members have anything that they feel would be appropriate to contribute please contact Debby 0438 763 312 or any of the Executive. If any members know of any potential sponsors for the raffle or Oct Ride event please let us know. Thank you.

First Aid Course October 2nd

A reminder to those who wish to attend the First Aid Course being held early October.

A number of members will be up for a First Aid Refresher/CPR Refresher this October. Wayne has been booked for Saturday 2nd October, 2010.

We have already taken a number of bookings for staff at Dayboro School who wish to do the initial full course.

Please advise the Secretary, Lee Tapper, or contact me (Debby gdkirk@tpg.com.au or 0438 763 312) if you would like to do a First Aid Course or you will be attending that day to do a refresher.

Work books for an initial First Aid Course will need to be ordered several weeks prior to the course in order to give students enough time to complete them. So please let me know at least 3 weeks prior.

In the past the club and ATHRA have subsidised a full course, but not refreshers. Whether this funding is still available I'm not sure, but will advise of costs in upcoming newsletters.

Big October Ride Nominations

Attached to this newsletter is a Big October Ride nomination form.

In an effort to keep event costs down and affordable, the club will be responsible for most of the meals this year (except Saturday night and Saturday short ride lunch). It would be fantastic to see club members supporting the meals as well as the ride.

Please remember to pre book by completing and returning your nomination forms. Pre bookings assist greatly in organising and catering.

As we will potentially lose riders due to the 'special meeting' being held by ATHRA it is really important that members circulate the ride flyer as far and wide as they possibly can. If you require printed flyers to do this please contact Debby on 0438 763 312.
